Dear John,

We have heard of, and heard, your Stan Rubin and the Tigertown 5. They are wonderful and we will try our best to sell their record to Smith. We have several jazz programs a week, for which we could certainly use more material. The record has not arrived yet, but it will be put to use as soon as it gets here. Thanks very much for sending it.

You asked for the address of our largest record store. I think you will find that most people go to the Music House, Main St., Northampton, Mass.. Our Advertising Mgr. will speak to them about carrying your records and perhaps we can help promote sale of them.

Sincerely Yours,

Bob Herty
Production Mgr.
